55+ Driver Discount Program Now Available in a **Virtual class!**

WHAT

The Driver Discount Program (55+ DDP) is an approved Accident Prevention course by the MN Department of Public Safety. In order to receive the discount of up to 10% for 3 years, participants must first take the 8-hour 55+ DDP course. A 4-hour refresher course can be then taken every 3 years to maintain the discount.

We have an exciting alternative for a stay at home virtual class. Visit our website at www.mnsafetycenter.org and go to the 55+ Driver Discount page. Click on register under the Virtual Meeting learning environment.
